

# *Lift Your Marriage to New Heights!*

Our monthly Marriage Enrichment gatherings draw husbands and wives from many different walks of life, different faiths, and different stages in their married lives. We've attracted newlyweds as well as long-time married couples. And they're all couples like you, wanting to make their marriages as spectacular as they can be.

Each month there is a 10-minute reflection and then time is given for couples to dialog with each other and then as a group. No one is ever expected to speak. Just listening can be a huge benefit.

It sometimes helps to know that others have experienced some of the same joys and hardships that we have. And in these difficult times, we all need to grow closer to our spouses, and realize that we're not alone in our experiences.

Give your marriage a boost!
