## Will Our Teens Have Faith?

This presentation will explore the findings of the *National Study of Youth & Religion (NSYR)* concerning the religious and spiritual lives of today's youth. This talk will examine the crucial role of parents and the family as revealed in this study.

### What do we know about the religious lives of our youth?

Thanks to the *National Study of Youth & Religion*, we know a lot. The Office for Youth Ministry believes that the *NSYR*'s findings are essential to promote. The results of the study are very relevant both in the lives of families (especially those with teenagers) and are of interest to all those concerned with the faith life of today's young people.

The Office for Youth Ministry is able to provide this presentation as a vehicle to raise awareness with these very important findings.
