

Letter from The Vatican  
Cardinal Szoka's Correspondence on Bishop Schoenherr

*Cardinal Edmund Szoka, archbishop of Detroit from 1981-1990, sends the following letter from his residence in Vatican City State.*

Dear Cardinal Maida,

I have received the sad news of the death of Bishop Schoenherr and write to express my sympathy and condolences to you and the Archdiocese. I will offer Mass for him tomorrow.

He was a man of deep spirituality and was loved by all. He gave his whole heart and soul to the priesthood and with total fidelity and dedication. I am sure he will be greatly missed, but he has gone to the house of the Father.

Sincerely yours in Christ,

Edmund Cardinal Szoka
